Career Objectives

As a postgraduate in Political Science, my career goal is to contribute meaningfully to society through active involvement in public policy, governance, research, or development sectors. I aim to apply my academic knowledge of political theories, institutions, and social dynamics to address real-world challenges. With a strong interest in social justice, democratic governance, and policy analysis, I seek opportunities that allow me to learn, grow, and make a positive impact. My long-term goal is to become a skilled professional who influences policy decisions and advocates for inclusive and sustainable development at national or global levels.
